- XI. **RESPONSIBILITY FOR THE WORK/INDEMNIFICATION.** In the performance of any work, including the delivery of equipment, materials or supplies, pursuant to this Contract, the Vendor shall take all responsibility for the work, and shall take all precautions for preventing injuries to persons and property in or about the work and shall defend, indemnify and hold the City harmless from all loss, cost, damage or expense arising from injuries to persons or property in or about the work. In case such material, equipment or apparatus, or any part thereof, in any such suit is held to constitute infringement, the Vendor, within a reasonable time, shall at its own expense, and as the City may elect, replace such material, equipment or apparatus with non-infringing material, equipment or apparatus, or remove the material, equipment, or apparatus and refund the sums paid therefor.

- XIV. INSPECTION.** For the purposes of inspection of the equipment, materials and supplies covered by this contract, the Vendor shall give the City free access to his works and furnish every facility for properly inspecting such equipment, materials and supplies, and shall furnish full information, whenever requested, relating thereto. INSTALLATION.** If any of the equipment, materials and supplies covered by this contract is to be installed by either the Vendor or the City, the Vendor shall, upon request of the City, furnish a competent employee to supervise the installation without expense to the City, unless otherwise provided herein. - XVIII. GOVERNING LAW.** This Contract shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts.
- XIX. SEVERABILITY.** The provisions of this Contract are severable. If any section, paragraph, clause or provision of this Contract shall be finally adjudicated by a court of competent jurisdiction to be invalid, the remainder of this Contract shall be unaffected by such adjudication and all of the remaining provisions of this Contract shall remain in full force and effect as though such section, paragraph, clause or provision, or any part thereof so adjudicated to be invalid, had not been included herein, unless such remaining provisions, standing alone, are incomplete and incapable of being executed in accordance with the intent of the parties to this Contract.
- XX. AMENDMENTS TO THIS CONTRACT.** This Contract may not be amended except in writing executed in the same manner as this CITY-VENDOR Agreement.

It is specifically understood the City does not agree to purchase any specific quantity of any item and some items may not be purchased at all. 4. The Chief of Police will appoint a member of the department to serve as Inspector of Uniforms. The Inspector shall be responsible to authorize the specific purchase of required uniform items under this contract. The Inspector shall inspect and accept all uniform items ordered and delivered to the department.

6. Bidders on this contract must have personnel on staff as well as equipment located at the bidder's place of business to perform uniform alterations and other sewing as may be required during the contract term.

10. All garments delivered shall be grouped and packaged in complete sets, clearly identified and labeled with the receiving officer's name.
11. Time is of the essence in the delivery of items ordered under this contract.
